

Save big. Save now.

The PresortXtra™ service gives you easy access to big postal discounts

Save from 6-34% on postage

Are you looking for big discounts on your postage costs? Look to Pitney Bowes' PresortXtra™ service. It doesn't matter if your mailing is level throughout the month, or batched into heavy mailing periods. As long as you mail as little as 400 letters or 50 flats per day, you can see real savings right now!

No hassles

As a workshare partner with the USPS, Pitney Bowes receives a discount for picking up and presorting customer mail. We retain a small portion of that workshare discount, and pass the rest along to you.
